TriState Health's Festival of Trees

We're grateful for the opportunity to support and volunteer at TriState Health's Festival of Trees. This impactful event helps fund new equipment, facility improvements, vital community programs, and services that make a real difference.

Orofino Stuff the Bus

This year's KLER Stuff the Bus event was a huge success! Over 3,500 pounds of food was collected and distributed to the three Orofino area food banks.

GO VANDALS!

We celebrated a great UI football season at their last home game of the regular season with lots of great Vandal swag, games, and drawings!

Decorating Jackson Baldwin Falls

We helped Jackson's Pay It Forward Foundation decorate the Jackson Baldwin Falls for the holidays. The Jackson Baldwin Falls serves as a memorial for families who have lost children early in their lives. The Foundation assists families with children with serious illness or injury.

Kootenai Health Festival of Trees

Our North Idaho team helped ring in the holiday season at the Kootenai Health Foundation Festival of Trees event. Proceeds from this year's event will provide upgrades for women's imaging and the neonatal intensive care unit.

Veterans Day Parade

Our staff had a great time joining in this year's Veterans Day Parade. It was a wonderful way to honor and thank veterans for their service and sacrifices. We're proud to be part of such a meaningful event!

Boys and Girls Club 47th Annual Auction and Gala

We were honored to sponsor, attend, and volunteer at this year's Boys and Girls Club 47th Annual Auction and Gala. Our incredible team of volunteers managed the check-in and check-out for the sold-out event, helping ensure everything ran smoothly. This impactful event supports programs that make a real difference in the lives of boys and girls in the LC Valley and beyond.

Soup's On

We were proud to sponsor and attend this year's Soup's On event supporting the Latah Recovery Center. This community-focused event showcases soup and bread tastings from local Moscow restaurants, bringing people together for a great cause. The funds raised help provide coaching, crisis support, housing solutions, and outreach programs that positively impact nearly 8,000 lives annually.

Unlock Your Future - North Idaho

Approximately 1,100 eighth graders from North Idaho middle schools attended the inaugural Unlock Your Future – North Idaho event. Students explored a variety of career paths by engaging with professionals from sectors like healthcare, law enforcement, insurance, banking, manufacturing, education, and more. They had a blast picking up swag, playing games, and gaining valuable insights into their future opportunities.

We had the opportunity to present to students at the Walla Walla and Clarkston campuses of Walla Walla Community College as part of their first-year experience.
