Through this effort, our teams came together to collect and deliver much-needed items, helping local food banks continue meeting increased demand while reinforcing our commitment to caring for those in need.

## Community Financial Education

We had the opportunity to share financial literacy presentations across several communities this month. Our Mortgage Team led five sessions in partnership with Habitat for Humanity in North Idaho, in addition to presenting five sessions at Lewiston High School and Lakeland Middle School. These presentations focused on building financial confidence and equipping students and community members with practical knowledge to support future financial success.

## Clarkston HS Bantam Booster Auction

Our team was proud to attend and volunteer at the annual Clarkston High School's Bantam Booster Auction, the group's primary fundraiser supporting athletics and student clubs. Each year, the event raises significant funds, often more than \$40,000, to help cover uniforms, equipment, and travel expenses, reducing financial burdens for families and coaches while expanding opportunities for student participation.

## District 2 Senior Showcase

We are proud to sponsor the annual District 2 Basketball Senior Showcase event each year, an event that celebrates the accomplishments and talent of local senior student-athletes as they conclude their high school basketball careers. Supporting this event reflects our ongoing commitment to youth, education, and community engagement, while giving us the opportunity to recognize the dedication, sportsmanship, and hard work of students from across our region.

## Family Justice Center's A Light in the Window

Our Treasure Valley team attended the Family Justice Center's annual A Light in the Window fundraiser in support of its ongoing efforts to assist victims of domestic violence.
