

P1FCU has been a member-owned, member-operated, not for profit financial cooperative since 1938. We formed with a common bond to pool assets to provide loans and other financial services to the underserved and remain driven by our members' needs. We offer a wide range of financial services to promote members' financial health and wellbeing, satisfaction, and stability. Our purpose is to promote thrift and provide financial services at a competitive cost.

P1FCU's social media are an online forum for the credit union to share current events and members to interact with other members and us. The opinions and comments posted by others on our social media sites are not the opinions of P1FCU, its officers, employees, staff members or members of our board of directors. Members should not share personal information and account details here or over any unsecured channel or social media. If you need help with your account, please contact the credit union directly at (208) 746-8900 or through our live chat located at p1fcu.org. Our credit union is valued as a family by both members and employees.

By posting information to our social media site, you agree that you are responsible for the information you posted. We reserve the right to delete disruptive, profane, vulgar, threatening, or off-topic comments and block users who are persistently disruptive or disrespectful to others. P1FCU cannot control the dissemination of a post once published. Keep in mind, your comments and postings are not private and can be seen by other people. We will also remove any spam or illegal material—the terms and conditions are subject to change without notice. Please use our social media to interact and share civilly with fellow P1FCU members.
