MAY 2025 | COMMUNITY DEVELOPMENT

Twin County United Way's Day of Caring

Our staff members rolled up their sleeves for Twin County United Way's Day of Caring on May 2. This annual event promotes volunteerism in the Lewis-Clark Valley, helps nonprofits in need of a few extra hands, and demonstrates the good when people work together.

The Idaho Foodbank's Family Day

Our staff and their family members participated in The Idaho Foodbank's Family Day, a quarterly volunteer event we proudly support. This ongoing partnership allows us to give back regularly, strengthen community ties, and help provide essential resources to families facing food insecurity.

New Hire Volunteer Program

Our commitment to giving back to our communities starts on the first day of work! Each month, our new team members volunteer at The Idaho Foodbank as part of their new hire experience.

Líderes Naturales Spanish Resource Fair – College Place

We had the privilege of participating in the Líderes Naturales Spanish Resource Fair at College Place High School. This impactful event connects Spanish-speaking families with valuable health, financial, vocational, and educational resources—helping strengthen access and support within the community.

Ducky Derby – Walla Walla

We loved being a part of the Ducky Derby again this year! Organized by the Exchange Club of Walla Walla, the event supports local youth programs and child abuse prevention efforts.

Parade America – Nampa

Our Treasure Valley team proudly participated in Nampa's Parade America, an annual tradition held on Armed Forces Day Weekend. First organized by the Nampa Exchange Club in 1966, the parade is a patriotic tribute to veterans and active military. It was an honor to be part of this long-standing celebration of service and community.

Joe Hall Built Ford Proud Open

We were honored to take part in the Joe Hall Built Ford Proud Open, hosted by the Boys & Girls Clubs of the Lewis Clark Valley. Supporting this event helps raise funds that open doors for local youth—creating opportunities for education, growth, and a brighter future.

Genesee Elementary Moneybags Game

We recently participated in the Genesee Elementary Moneybags Game, a hands-on financial literacy event hosted by the University of Idaho Extension Office – Latah County. The activity teaches students about earning, spending, saving, and budgeting through interactive play. Our team was proud to support this creative approach to building foundational money skills at an early age.

"Investing in Our Future" Financial Literacy Capstone

Our team participated in the Parent-Teacher Conference and Financial Literacy Capstone Event at Mt. View Alternative High School for 7th–12th grade students and their families. Centered around the theme "Investing in Our Future," the event focused on financial literacy, career readiness, and student growth. We were proud to support an evening dedicated to preparing students and families for a brighter future.

Malden Community Center Ribbon Cutting

We had the opportunity to attend the ribbon cutting ceremony for the new Malden Community Center—a symbol of resilience and renewal. In 2020, we established a fire relief fund to support those affected by the Colfax and Malden fires. Today, that support lives on in a space that now houses the city's library, food bank, and a community meeting room with a commercial kitchen. We're grateful to play a part in the community's ongoing recovery and growth.

Avista NAIA World Series & Kids Clinic

P1FCU is a major sponsor of the Avista NAIA World Series and Kid's Clinic. Staff volunteered at the clinic and ran the banking and ticket booth again this year.

Breakfast for Kids – Boys & Girls Clubs of the Lewis Clark Valley

We sponsored and attended this year's Breakfast for Kids, hosted by the Boys & Girls Clubs of the Lewis Clark Valley. The event featured actress and health advocate Marilu Henner as the keynote speaker and raised vital funds to support youth programs in our community. It was a powerful morning celebrating the impact of the Club's work and the futures it helps shape.

2025 Scholarship Recipients

We're excited to introduce the 2025 PIFCU Scholarship recipients!

Continuing our commitment to supporting local students and their dreams, we're proud to once again award 20 scholarships across our communities. These outstanding students have impressed us with their achievements, character, and dedication to learning, leadership, and giving back, and we're honored to support them in their next step.

O'Rhea Duman – Asotin High School
Rebecca Heilman – Clark Fork High School
Keegan Heath – Clarkston High School
Angelina Mostofi – Cle Elum High School
Zachary Cooper – Colfax High School
Andrew Rector – Genesee High School
Makenna Denuit – Grangeville High School
Adalei Lefebvre – Grangeville High School
Katelyn Holm – Lewiston High School
Skye VanTrease – Lewiston High School
Avery Lewis – Milton-Freewater High School
Mallory Cluff – Mountain View High School
Joshua Waddell – Mullan High School
Camden Waggener – Orofino High School
Jake Quintal – Prairie Jr. Sr. High School
Kody Tefft – St. Maries High School
Travis Walker – Sandpoint High School
Amy McCune – Timberlake High School
Lily Sheller – Tonasket High School
Lillian White – Walla Walla High School

P1FCU Family Scholarships

In addition to our community scholars, we are overjoyed to announce the FIRST EVER recipients of the P1FCU Family Scholarship! This \$1,000 scholarship was created to support the children of our employees and board members as they pursue higher education and reflects our credit union's commitment to financial well-being for all and community enrichment.

Mia Asbury – Daughter to Aubrey Asbury, St. Maries Branch Manager

Naomi Kadrevis – Daughter to Korianne Kadrevis, MSR 2 in Tonasket

Layla Haugen – Daughter to Krista Haugen, Mortgage Loan Processor Supervisor

Sydnee Morscheck – Daughter to Kyle Morscheck, Board Member

Sara Combs – Daughter to Bobbi Combs, Warner Branch Manager

Cayden Beehler – Son to Michele Beehler, Chief People Officer

May Kindness Campaign – Teacher Appreciation

For our May Kindness Campaign, we celebrated Teacher Appreciation Week by delivering treats to local schools. It was a small way to say thank you to the educators who make a big impact in our communities every day.

YWCA Embrace Race Color Run

We were proud to sponsor this year's Embrace Race Color Run, hosted by the YWCA of Lewiston-Clarkston. Our team also volunteered behind the scenes and at the water station to help make the event a success. It was a fun, colorful way to support the YWCA's mission of promoting peace, justice, freedom, and dignity for all.

Orchards Elementary Color Run

We had a blast sponsoring and joining the fun at the Orchards Elementary Color Run! This energetic event raises funds for the PTA and brings the school community together in a colorful way to support students and staff.

Owyhee High School Financial Reality Fair

Our Treasure Valley team partnered with fellow area credit unions to host a Financial Reality Fair for Owyhee high school students. This interactive event gave students a glimpse into real-life budgeting and decision-making as they navigated monthly expenses based on a chosen career. It's a powerful way to prepare students for financial independence and promote smart money habits early on.

Warrior Express – Walla Walla Community College

As part of our ongoing support for education, we sponsored t-shirts for Walla Walla Community College's Warrior Express events. Held across 18 sessions, these events help incoming students feel welcomed, supported, and proud to be part of the Warrior community.

That's Life Simulation - Potlatch High School

We volunteered at the "That's Life" simulation hosted by the University of Idaho Extension Office – Latah County at Potlatch High School. This engaging event challenged students to manage real-world scenarios like budgeting, paying bills, and handling unexpected expenses. It's a meaningful way to help teens develop essential life and financial skills before graduation.
