

P1FCU

SEPTEMBER 2025 | COMMUNITY DEVELOPMENT

September Branch Milestones

We celebrated important anniversaries with our branches in Hayden (15 years), Warner (25 years), and Pullman (15 years). Each milestone highlighted the long-standing relationships our branches have built in their communities and the continued growth of P1FCU.

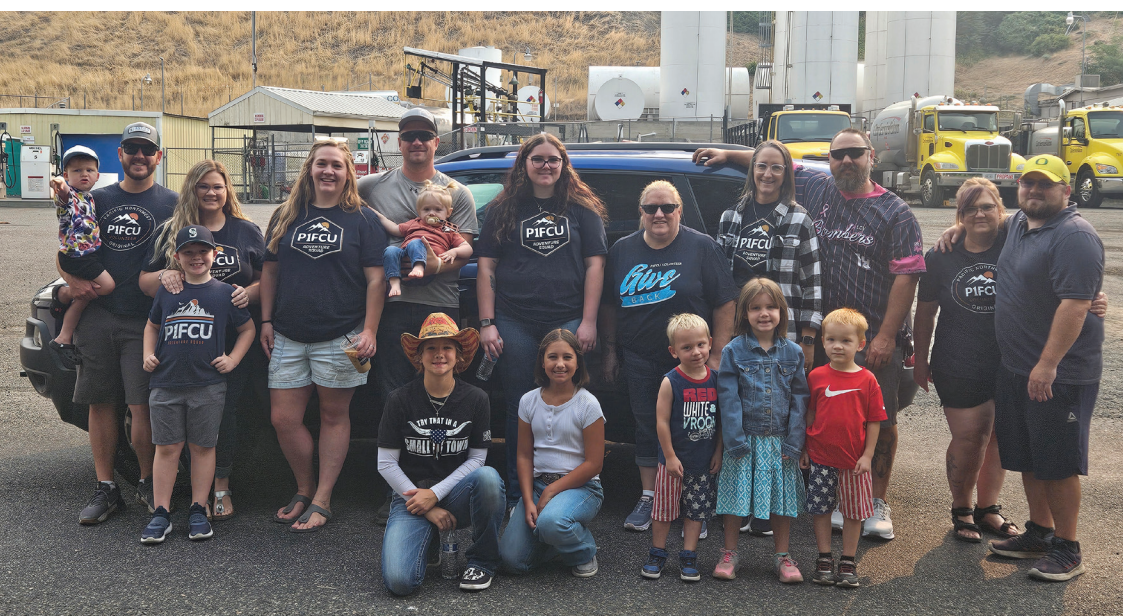

Idaho Foodbank – Treasure Valley Volunteer Event

Our Treasure Valley staff had a great time volunteering at The Idaho Foodbank, helping support their work to fight hunger and provide access to nutritious food for families across Idaho. This hands-on effort reflects P1FCU's commitment to giving back and making a direct impact in the communities we serve.

Lili GC Auction & Gala

P1FCU sponsored and volunteered at the Lili GC Auction & Gala in Lewiston. The Lili GC Foundation supports women and families impacted by women's cancers in the Lewis-Clark Valley and surrounding areas. Our involvement helped raise funds to continue this mission of care and support for survivors, warriors, caregivers, and families.

Lewiston Roundup Parade

P1FCU participated in the Lewiston Roundup Parade, joining thousands of community members in celebrating this long-standing tradition. Our staff had a great time sharing community spirit and handing out candy along the parade route.

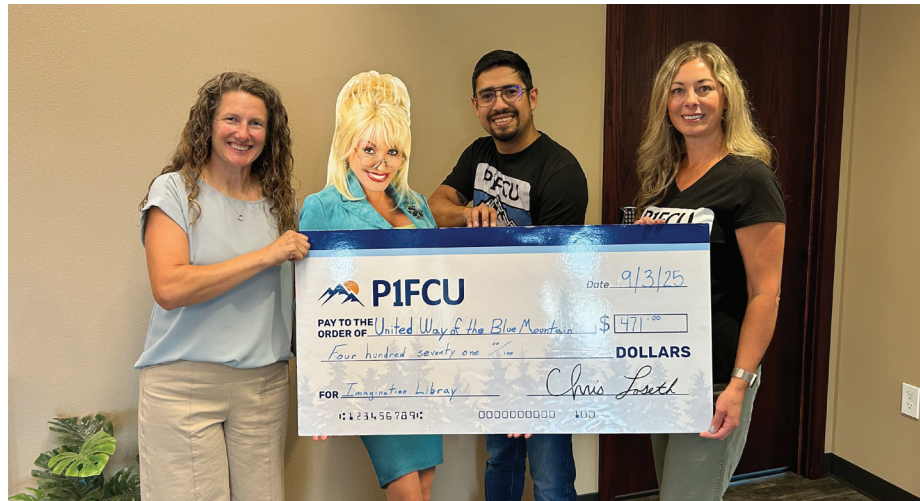

New Hire Orientation – Idaho Foodbank

Our new hires experienced P1FCU's culture of giving back on their very first day by volunteering at The Idaho Foodbank. This hands-on experience introduced them to one of our core values and showed the impact we make together in our communities.

United Way of the Blue Mountains – Dolly Parton's Imagination Library

Our Walla Walla team presented a check to the United Way of the Blue Mountains in support of Dolly Parton's Imagination Library. This program provides free books to children from birth to age five, helping foster a love of reading and improving early childhood literacy in our communities.

Toddler Trek – Asotin County Library Foundation

We sponsored and volunteered at Toddler Trek, a free family event for parents with toddlers and preschoolers. Kids enjoyed movement activities (tunnel crawls, ball tosses, bubble station, balloon run) and a free book while supplies lasted, plus Asotin County's mobile traffic garden with scooters and balance bikes and a visit from Charlie the Therapy Dog.

Vandal Football Season Kickoff

We've had an incredible time kicking off the 2025 Vandal Football season! Coach Ford and members of the football team stopped by our Moscow branch ahead of the opener, where staff and fans enjoyed connecting and gearing up for the season. At the first home game, we handed out Vandal swag, provided bottled water during the Freshman Run, and introduced our new P1FCU Pong game for fans to win prizes. We continued the fun at the second home game, where the pong game and giveaways kept fans engaged. These activities strengthen our partnership with the University of Idaho and highlight our role as a proud supporter of Vandal Athletics.

Idaho Foodbank – A Seat at the Table

P1FCU sponsored and attended the Idaho Foodbank's A Seat at the Table event in Boise. This annual fundraiser supports the Foodbank's mission to relieve hunger and provide access to nutritious food for Idaho families. Our involvement reinforced P1FCU's commitment to fighting food insecurity and supporting communities across the state.

Stuff the Bus – Bonners Ferry

Our Bonners Ferry team delivered school supplies and a donation through the annual Stuff the Bus event, helping ensure local students started the school year prepared. This effort highlights P1FCU's commitment to supporting education in the communities we serve.

Orofino Lumberjack Days

Our Orofino branch team participated in this year's Orofino Lumberjack Days, a long-standing community tradition. The team loves being involved in this event each year and enjoys the opportunity to connect with community members while representing P1FCU.

Walk to End Alzheimer's – Quad Cities

P1FCU sponsored and volunteered at the Walk to End Alzheimer's in Lewiston. Staff joined community members in raising awareness and supporting the Alzheimer's Association's mission to advance research and provide care for those affected by the disease. Our participation reflects P1FCU's ongoing commitment to supporting causes that directly impact the health and well-being of our communities.

Boys & Girls Clubs of Kootenai County – A Night to Remember

P1FCU sponsored and attended the Boys & Girls Clubs of Kootenai County's annual A Night to Remember event. This fundraiser supports the Club's mission of enabling young people to reach their full potential as productive, caring, responsible citizens. Our involvement highlights P1FCU's commitment to investing in youth programs that strengthen families and communities.

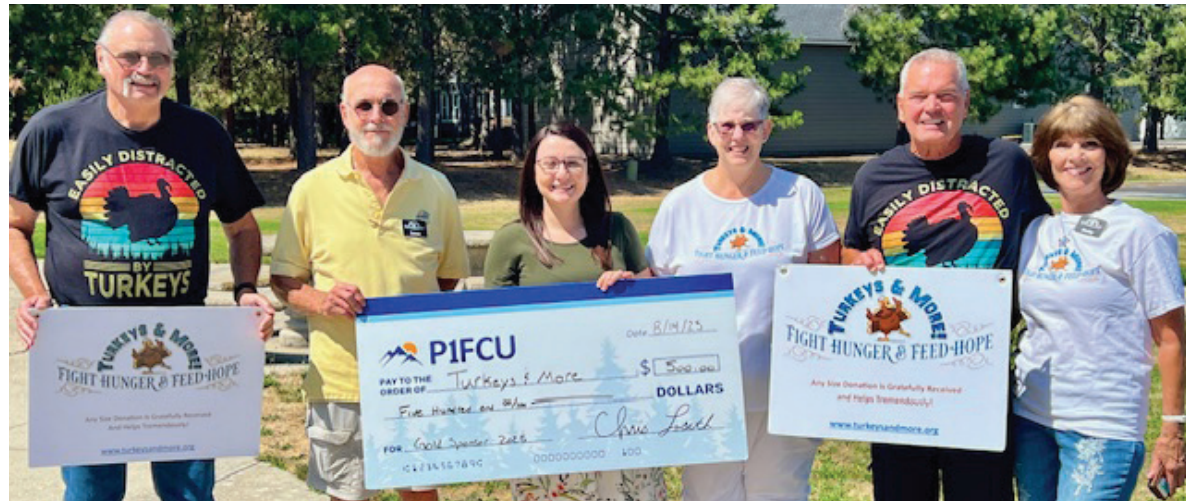

Lewiston Rotary Bicycle Rodeo

The Lewiston Rotary Bicycle Rodeo provided a fantastic opportunity for families and cyclists of all ages to enjoy a fun-filled day of bicycle-themed activities, games, and entertainment. As the Bike Sponsor, we were thrilled to send one lucky kid home with a brand-new bike.

Turkeys and More

We were honored to support Turkeys and More again this year. The program's goal is to make Thanksgiving meals a reality for local families in need.

SPAN Benewah County – Suicide Prevention & Awareness Walk

PIFCU was proud to support the SPAN Benewah County Suicide Prevention & Awareness Walk. This event raises awareness and provides resources to prevent suicide and support those affected by it.

Battle of the Bridges

At this year's Battle of the Bridges football game between Lewiston and Clarkston High Schools, our team handed out PIFCU headbands to fans from both schools. It was a fun way to join in the spirit of this annual rivalry and show our support for the community.

J.R. Simplot Memorial Golf Tournament – Boise

P1FCU sponsored and hosted a booth at the J.R. Simplot Memorial Golf Tournament, which benefited the Ronald McDonald House Charities of Idaho. The Ronald McDonald House provides families with a “home away from home” while their children receive medical care. This event brought the community together in support of that mission, and P1FCU’s involvement offered great visibility while helping make a difference for families in need.

Kindness Campaign – School Pantries

This month’s Kindness Campaign focused on supporting school food and clothing pantries. We collected and provided items from needs lists at several schools, helping to stock shelves with essentials ranging from snacks and hygiene items to clothing. These efforts help meet immediate needs for students and families while also strengthening our relationships with local schools.

P1FCU Night – LC State Volleyball

As the official credit union of the LC Warriors, we hosted P1FCU Night at LC State Volleyball. The event was a tremendous success, setting an attendance record with more than 1,000 fans in the P1FCU Activity Center. It was a great opportunity to celebrate our partnership with LC State, engage with students and community members, and cheer on the Warriors.

Paul Bunyan Days – St. Maries

The St. Maries branch team took part in this year's Paul Bunyan Days, one of the community's signature events. It was a great chance for the team to celebrate local tradition, spend time with community members, and showcase P1FCU's support in the area.

Boys & Girls Clubs of the Lewis Clark Valley – Grilled Cheese

We're thrilled to be back at the Boys & Girls Clubs of the Lewis Clark Valley this school year. Each month, a dedicated group of P1FCU staff heads to the Orchards and Clarkston Clubs to grill up hundreds of grilled cheese sandwiches for the hungry after-school crowd.
