

P1FCU

JULY 2025 | COMMUNITY DEVELOPMENT

Hands-On Help at Kootenai Health

Our North Idaho team spent a day giving back at Kootenai Health, volunteering to stain the fence at the Hospitality House, where P1FCU proudly sponsors a guest room. This hands-on project was a meaningful way to support patients and families who rely on this space during medical treatment.

Stronger Together.

Community Commitment | July 2025

Summer Cool Down with Parks & Rec

We had a fun day at Lewiston Parks and Rec's Summer Cool Down Event, connecting with families and enjoying summer sunshine! P1FCU is proud to sponsor the Rec Mobile, which brings free, fun activities to kids throughout the summer—another great way we support wellness and play in our communities.

Swinging for Healthcare in Pullman

P1FCU sponsored and participated in the 20th Annual Golf Classic in support of Pullman Regional Hospital. This milestone tournament combined a full day of friendly competition with community giving to support accessible, high-quality healthcare in the Palouse. From breakfast to the final putt, the event brought together teams who were ready to have fun and make an impact on the green.

Cheers to Five Years in Tonasket

Our Tonasket Branch celebrated its 5th anniversary with a BBQ and prize drawing. It was a great way to thank members for their support, build local connections, and mark an exciting milestone with food, fun, and appreciation.

Ronald McDonald House BBQ

Our Treasure Valley team hosted a summer BBQ at the Ronald McDonald House, spending the afternoon grilling burgers and hot dogs, serving up sides, and enjoying great conversation with staff and families staying at the house.

Idaho Foodbank's Thanks a Brunch

Our Treasure Valley team attended the Idaho Foodbank's Thanks a Brunch event—an uplifting morning recognizing the partners, donors, and volunteers who help fight hunger across Idaho. It was a great opportunity to celebrate the impact of collaboration and strengthen our ongoing partnership with this vital organization.

Club Kids Say Thanks!

In July, we had a special visit from the Boys & Girls Clubs of the Lewis Clark Valley at our Valley branches. The Club staff and kids stopped by to deliver treats, share their appreciation for our continued partnership, and provide updates on upcoming programs and events. It was a great opportunity to connect with the youth we support and hear firsthand how our involvement is making an impact.

Hayden Days

We had a blast sponsoring Hayden Days again this year! Our team showed up in full force—walking in the parade, volunteering at the event, handing out tons of fun giveaways, and chatting with attendees about all things P1FCU. It was a perfect mix of summer fun and community connection!

Financial Literacy Starts Early

In July, we hosted two financial literacy classes focused on building skills across generations. At Woodland Adventures Learning Center, preschoolers explored age-appropriate money concepts in a fun and engaging way. We also partnered with the Nez Perce Tribe's TERO Office to provide financial education to 16-18 year-olds, equipping them with tools for budgeting, saving, and long-term financial success.

Kindness Campaign: Spreading Support Across Our Communities

Our Kindness Campaign continued strong in July, with support provided to organizations making a difference throughout our footprint:

Cle Elum – HopeSource

Donations were delivered to HopeSource, a local organization whose mission is to equip, encourage, and empower individuals as they work toward stability and self-sufficiency—because hope changes everything. Items helped fulfill their needs list and support their continued efforts to uplift the community.

Bonniers Ferry – Little Badgers Lunch Program

Supplies were donated to the Little Badgers Lunch Program, a partnership between the Bonniers Ferry Farmers Market and Community Action. With one in nine children in Idaho experiencing food insecurity, this program ensures that no child in Boundary County goes hungry. Lunch bags are distributed each Saturday in July and August at the market.

Treasure Valley – Ronald McDonald House

Much-needed supplies were delivered to the Ronald McDonald House, which provides essential services that remove barriers, strengthen families, and promote healing when children need healthcare.

LC Valley – Homes of Hope

Back-to-school supplies were provided to Homes of Hope, the only organization in an eight-county region offering free support services to foster, adoptive, and biological families impacted by the foster care system. Their work helps fill critical gaps in resources for children who have experienced trauma, neglect, and abuse.

Genesee Farmers Market & Summer Social

We participated in the Genesee Farmers Market and Summer Social, connecting with community members and collecting school supply donations as part of our ongoing Stuff the Bus campaign.

Supporting Hope at the Canopy Village Auction

We were honored to sponsor the 34th Annual Benefit Auction for Canopy Village, a 24-hour residential facility providing a trauma-responsive safe haven for children and families experiencing abuse, neglect, or crisis. Our sponsorship supports their mission to create a place of safety, trust, and healing for some of the most vulnerable members of our community.

Peter Zornes Memorial Golf Tournament

P1FCU sponsored and played in the Peter Zornes Memorial Golf Tournament in Colfax, the primary fundraiser for scholarships awarded to high school juniors and seniors pursuing careers in the medical and life sciences fields. To date, over 25 scholarship recipients have gone on to become doctors, veterinarians, researchers, hospital administrators, and program coordinators—demonstrating the lasting impact of this meaningful event.

Slam Dunks in Cle Elum

The Upper Kittitas County Basketball Club 3-on-3 Tournament brought a full weekend of hoops and hometown fun to Cle Elum, and P1FCU was excited to be part of it as an event sponsor. The Tournament drew athletes, families, and fans from across the area, celebrating local talent and strong community spirit.

Parade Day in Post Falls

Our North Idaho team brought the fun to the Post Falls Days Parade! It was all smiles, sunshine, and community pride as we joined in on one of the city's favorite summer celebrations!

Movie Night Magic in Nampa

P1FCU sponsored Silver Screen on the Green in Nampa, a community movie night under the stars. Attendees enjoyed free treats, fun swag, and a relaxing evening filled with family-friendly entertainment. It was a great way to bring people together and highlight P1FCU's presence in the Treasure Valley.

Giving Back from Day One

In July, our newest team members jumped right into community involvement by volunteering at the Idaho Foodbank in Lewiston. These hands-on experiences gave them an introduction to P1FCU's culture of giving back and the important role we play in supporting the communities we serve.

Serving Up Thanks at SmasHouse

We hosted a Member Appreciation Event at SmasHouse in the LC Valley to celebrate and thank our members! When members showed their P1FCU debit or credit card, they received a gift card toward their next purchase. It was a simple (and tasty) way to show our appreciation and support a local business member at the same time.

Rathdrum Days Celebration

We love celebrating Rathdrum Days, and this year was no exception! It was a fun-filled weekend that showcased the heart of Rathdrum and our ongoing commitment to being part of it.

Ringing in Summer with Jingle in July

P1FCU volunteers supported the Salvation Army's Jingle in July campaign in the LC Valley, helping to raise funds for local programs and services. This summer twist on the classic holiday bell-ringing effort brings attention and support to the Salvation Army's year-round impact in our community.

Stuff the Bus: Supporting Students Across Our Communities

All P1FCU branches are accepting monetary donations and school supplies to support local students in need through our annual Stuff the Bus Campaign. In the LC Valley, we partner with the YWCA to help provide backpacks and essential school supplies to up to 1,000 children—ensuring they're equipped and ready for a successful school year.
