

P1FCU

DECEMBER 2025 | COMMUNITY DEVELOPMENT

Season of Giving

Season of Giving is one of our most meaningful times of the year. In December, we supported food banks and nonprofit partners across our footprint by fulfilling holiday wish lists and providing essential goods to individuals and families in need. Through our Neighbors Feeding program, 163 families received turkey or ham dinners complete with sides and desserts. In addition, branches collected toys, coats, gloves, and food, helping spread warmth and care throughout the communities we serve.

Stronger Together.

Community Commitment | December 2025

Stronger Together.

Community Commitment | December 2025

Canyon County Festival of Trees

The Canyon County Festival of Trees is a festive holiday event that brings the community together while raising funds to support Canyon County Meals on Wheels and provide nutritious meals for homebound seniors in Canyon County.

Wreaths Across America

With the support of P1FCU sponsorship and the time and care of our staff volunteers, Wreaths Across America provided a meaningful opportunity to honor the service and sacrifice of our nation's veterans during the holiday season.

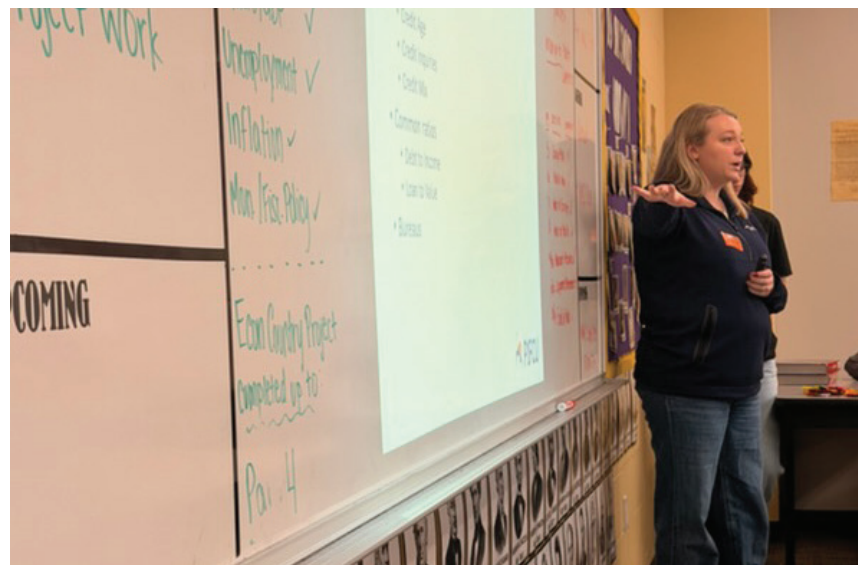

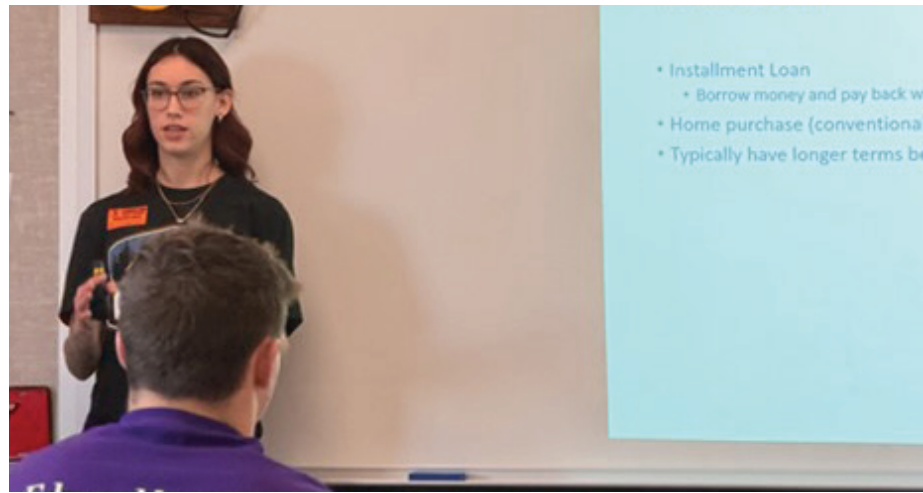

Alternative Giving Market of the Palouse

Each year, our team volunteers at the Alternative Giving Market of the Palouse, a holiday event that offers residents a meaningful alternative to traditional gift-giving. The market spreads joy during the season while providing an opportunity to support local nonprofit organizations across the Palouse.

Financial Literacy

December's financial literacy efforts included classroom instruction at Asotin Elementary and Lewiston High School, as well as participation in a That's Life simulation at Lena Whitmore Elementary in Moscow.

Christmas Connection

We continued our longstanding support of Christmas Connection, serving as a major sponsor for the past eleven years in partnership with St. Vincent de Paul and KLEW TV. This program supports more than 600 families each year during the holiday season.

Northwest Children's Home Coffee for the Kids

We were honored to sponsor, volunteer, and attend Northwest Children's Home Coffee for the Kids event. Proceeds from the event help pave the path from trauma to triumph for the youth and families they serve.

Post Fallidays

Each year, we look forward to sponsoring and attending the Post Fallidays Tiny Tree Festival. This annual event features a brunch and silent auction, with trees donated and decorated by local community leaders, nonprofits, and businesses to benefit the Post Falls Chamber of Commerce.

Second Chance Animal Shelter – Kids Shop Free Event

In Bonners Ferry, we supported Second Chance Animal Shelter's Kids Shop Free event, sponsoring a holiday program that allows children to select gifts at no cost while benefiting a vital local animal welfare organization.

Santa's Workshop

We sponsored Nampa's Santa's Workshop, hosted by Nampa Parks and Recreation. This fun, family-friendly holiday event continues to be a favorite tradition in the Nampa community.

Holiday Parades

We loved showing off our holiday spirit at community parades throughout December.

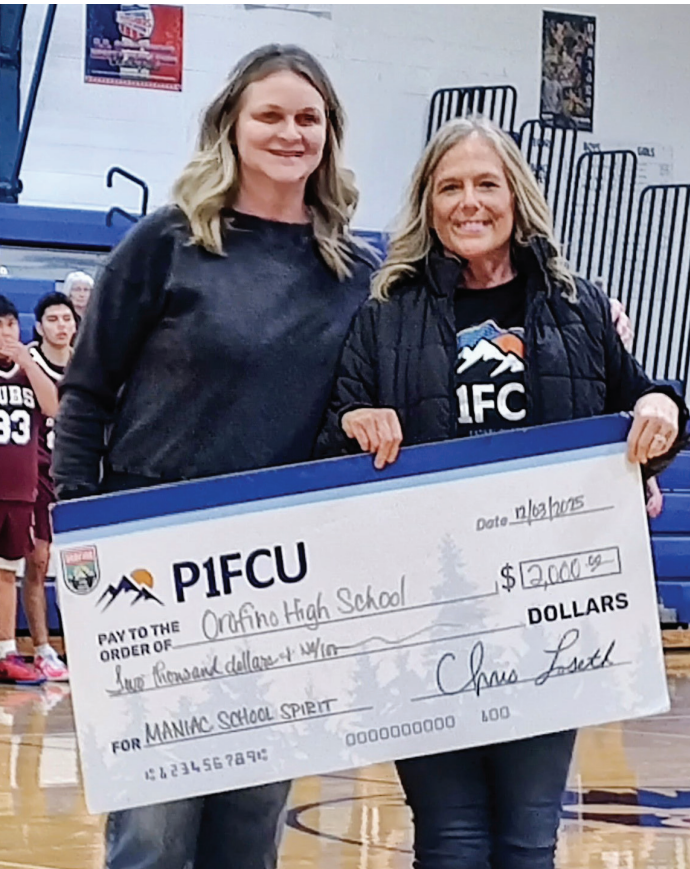

Ada County Boys & Girls Clubs Youth of the Year Awards

P1FCU was honored to be invited to participate in the Ada County Boys & Girls Clubs Youth of the Year Awards program. This event celebrates outstanding youth who demonstrate leadership, service, academic excellence, and strong character, aligning closely with our commitment to supporting young people and investing in the future of our communities.

Golden Throne

P1FCU was proud to serve as the title sponsor of Golden Throne, the annual rivalry between Lewiston and Clarkston High Schools. This year's event was bigger and better than ever, bringing students, families, and the community together in celebration of school spirit. We value our continued partnership with Inland Cellular and our shared commitment to supporting local youth and athletics.

School Spirit

School Spirit check presentations continued in December, including a check presentation to Orofino High School.

Post Falls Chamber

We attended the Post Falls Chamber luncheon, where P1FCU was recognized for 20 years of membership and community partnership.

Kindness Campaign

Our team supported several Acts of Kindness initiatives across our footprint, partnering with organizations including Bonners Ferry Christmas, Tails Foundation, Safe Passage, Family Justice Center, Meridian Senior Center, Culdesac School, Tonasket Legion Club, and Washington State Department of Children, Youth & Families. These efforts helped address immediate needs during the holiday season.

St. Luke's Children's Christmas Toy Box

During the holiday season, we participated in and donated to the St. Luke's Children's Christmas Toy Box, which relies entirely on community-donated items. Volunteers create a festive shopping area—complete with holiday decorations and music—where parents of hospitalized children are invited to shop free of charge for every child in their family.

Community Action Pullman

Our partnership with Community Action in Pullman supports critical services, including housing stability, energy assistance, food access, and emergency support for thousands of households across the region.

Community & Chamber Engagement

Our team stayed active with local chambers and community partners in Eagle, LC Valley, Meridian, Nampa, Post Falls, Walla Walla, and Hayden. This included chamber coffees and luncheons, holiday gatherings, community award events, and large holiday festivals and parades across North Idaho, LC Valley, Treasure Valley, and Walla Walla.

That's Life Financial Simulation

Community Development and Moscow branch staff participated in the That's Life financial education simulation at Lena Whitmore Elementary in Moscow, helping students explore real-world financial decisions through an interactive, hands-on learning experience.

Salvation Army's Red Kettle Campaign

Our staff volunteered with the Salvation Army's Red Kettle campaign during the holiday season, supporting local, year-round programs for people in need, including food and shelter, emergency disaster relief, youth services, and assistance with rent, utilities, and addiction recovery.
