"Business day" shall mean Monday through Friday, except observed Federal holidays.

Credit and Audit Review-You are subject to satisfactory account and audit review by Us from time to time, at Our sole option and discretion, and in accordance with Our established approval and auditing criteria. You shall, promptly upon Our request, provide to Us any such related information and assistance as We may require to perform any such review. Hours of Access-Services are available 24 hours per day, 7 days per week, although some or all Services may not be available occasionally due to emergency or scheduled System maintenance. We agree to post notice of any extended periods of non-availability on the Credit Union website.

Authorized Users-The Credit Union shall be entitled to rely on the apparent authority of any person who accesses the services using valid Member and User login IDs and passwords, including such persons who may not be signers on Member's Account. Except as otherwise provided by law, You will indemnify Credit Union and hold it harmless for any loss or expense caused by any person with the apparent authority to access the Services. You agree to provide each Authorized User a copy of these terms in connection with their use of the Services. The Credit Union may elect to verify the authenticity or content of any transmission by placing a call to any authorized signer on Your Account at Our discretion. We may deny Your access to the Services without prior notice if We are unable to confirm any person's authority to access the Services or if We believe such action is necessary for security reasons.

Security-You understand the importance of Your role in preventing misuse of Your Accounts associated with the Mobile Deposit program. You agree to protect the confidentiality of Your Accounts, Account number, and passwords. Your password is intended to provide security against unauthorized entry and access to Your Accounts. Data transmitted via the Services is encrypted in an effort to provide transmission security. Mobile Deposit utilizes identification technology to verify that the sender and receiver, of transmissions related to the Services can be appropriately identified by each other. Notwithstanding Our efforts to ensure the Services are secure, You acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing Mobile Deposit, or e-mail transmitted to and from Us will not be monitored or read by others. You agree to notify Us immediately if You believe any passwords have been lost, stolen, used without Your permission, or otherwise compromised. Call us immediately at Our Service Center at the number in the Contact Information section of this Agreement.

You agree that You are prohibited from engaging in conduct that would violate the proprietary rights of the owner(s) of the System and the Services as well as accessing or using the System or the Services in any other unauthorized manner. You agree to be liable to the Credit Union and its vendors, for any claims, losses, liabilities, damages, expenses or costs arising as a result of the negligent or intentional misuse of the Services or the System by You or Your authorized Users.

However, You are responsible for any fees and charges You may incur in connection with Your use of the Services including, but not limited to, telephone, communication, Internet data service fees, secure storage, Check destruction, and equipment maintenance.

Deposit of Original Checks-You agree that no Check deposited to the Credit Union shall cause funds to be debited more than once from the account of the maker. You agree that the original Check, a duplicate Check image, or any copy of the original Check or Check image will not be deposited by You with the Credit Union (unless We instruct You to do so) or under any circumstances with any other financial institution.

Check Retention Period-You agree that You will preserve the originals of all Checks, processed through the Services pursuant to this Agreement for twenty (20) calendar days after the day of deposit (“Retention Period”). The risk of loss due to the unavailability of the original copy of a Check for any reason, during the Retention period, shall be exclusively on the Member.

Storage and Destruction of Original Checks-You will be fully responsible for the secured storage and destruction of the Checks. You agree to use commercially reasonable method(s) to destroy original Checks after the required Retention Period has expired. You agree to destroy and dispose of the original Checks with a high degree of care, including selecting and implementing appropriate destruction and disposal procedures. You are required to implement such procedures to ensure that the original Checks are not accessed by unauthorized persons during the storage, destruction and disposal process and, once destroyed, the original Checks are no longer readable or capable of being reconstructed (e.g., through the use of competent shredding equipment). The risk of loss associated with the accidental inclusion of a physical Check in the Check collection process or with a lost, destroyed, stolen or misplaced Check shall be exclusively on the Member.

Member Representations and Warranties-You represent and warrant that all Checks scanned through the use of the Services are made payable to the Member, all signatures and endorsements on each Check are authentic and authorized, and each Check has not been altered. You will not deposit duplicate items. You will not redeposit or re-present the original item. All information you provide to Credit Union is accurate and true. You will comply with this Agreement and all applicable rules, laws, and regulations. You are not aware of any factor which may impair the collectability of the item

Prohibited Checks-You agree that Checks scanned through the use of the Services will not be Third-Party Checks (Third-Party Checks arise when the payee endorses the Check by signing the back, then passes the Check to a subsequent holder, who endorses it prior to cashing it.) You further agree that no Checks scanned through the use of the Services may be drawn on other accounts of the Member, its parent company, any subsidiary, or other accounts of the owners or officers or their companies for the purposes of artificially inflating Your Account balance. Prohibited Checks include, but are not limited to:

Image Quality-You are responsible for inspecting and verifying the quality of the images associated with Image Items, thus ensuring that the digitized images of the front and back of original Checks are legible for all posting and clearing purposes by the Credit Union. Specifically, You are representing and warranting to the Credit Union that:

A. The image Item is an accurate representation of all information on the front and back of the original Check at the time the original Check was converted to an Image Item, and the Image Item contains all endorsements from the original Check necessary to permit Credit Union to:

1. Acquire rights of a holder in due course in the collection process of Checks and other items;
2. Handle, process, maintain and destroy original Checks; and
3. Ensure that neither Credit Union nor any other financial institution (depository, collecting or payor), drawee, drawer or endorser receives presentment or return of, or otherwise is charged for a Check or Image Item more than once in any form.

B. Each Image Item (or related electronic data file) contains a record of all MICR line (special characters printed on the bottom of a check) information required for a substitute check and otherwise satisfies all of the requirements of the American National Standards Institute (ANSI) standards for image quality required by Check 21 and Regulation CC for the creation and/or transferring of a substitute check created from that Image Item or any standards established by the Board of Governors or the Federal Reserve Board, or any other regulatory agency, clearinghouse, or association.

Adjustments-We reserve the right to adjust Your deposit after You have submitted it for processing. Adjustments are to correct mistakes in the value of Image Items deposited, mistakes in encoding, or for missing or illegible Image Items.

Note: Your deposit of an Image Item is subject to Our verification and final inspection process. We may at any time deposit an Image Item or return all or part of a deposit of multiple Image Items to You without prior notice. We are under no obligation to inspect or verify any Image Item to determine accuracy, legibility or quality of the Image Item or MICR line information associated with the Image Item, or for any other purpose. However, We may correct or amend information associated with an Image Item to facilitate processing of the Image Item or a substitute Check created from that Image Item.

We may process and collect an Image Item or a substitute Image Item through one or more check clearing houses, Federal Reserve banks, or other private clearing agreements with other financial institutions.

We may hold and use funds in any deposit Account of Yours following termination of this Agreement and the Services for such time as We reasonably determine to be necessary for us to be assured that no Image Item processed by Us prior to termination may be returned, charged back, or otherwise become a source or cause for any loss, liability, cost, exposure or other action for which the Credit Union may be responsible, with such right being in addition to any other rights We may have with respect to Your Accounts. Without limitation, You recognize that under the Rules, the UCC, Regulation CC and the rules of any image exchange network, Our representations and warranties to others with regards to Image Items and substitute Checks may expose the Credit Union to claims for several years following processing of any particular Image Item or substitute Check.

Errors- You agree to promptly examine Your Account statement and notify Us of any errors in accordance with the Membership Agreement and in no event later than thirty (30) calendar days after the applicable account statement is sent by Credit Union. Unless you notify Credit Union within thirty (30) calendar days, such statement regarding all deposits made through use of the service described herein shall be deemed correct, and you are prohibited from bringing a claim against Credit Union for such alleged error.

Termination-We are permitted to terminate any or all of the Services immediately should You breach any part of this Agreement or of the Membership Agreement. We are also permitted to terminate any or all of the Services immediately if We are no longer able to provide such Services.

- To enable Your access to the Services and the System,
- When it is necessary for completing deposits, and
- As required by law.

Credit Union Operational Responsibilities-In addition to other obligations included previously, We agree to deliver the following items to You, in addition to providing access to the Services and the System:

A. Provide maintenance and support for the Services and the System to ensure the accurate processing of Image Items, including but not limited to:

Corrections, contingent or alternate work methods and fixes to any known program bugs or errors;
Modifications, enhancements and updates in the event the Credit Union elects to make such items available to You; and
telephone and e-mail support during Our normal business hours.

B. Accepting for deposit to the applicable Account digitized Image Items that are transmitted to Us by You. Digitized Image Items are deemed received upon confirmation by Credit Union of successful receipt of the transmission of the Image Items that are complete, and usable. If the digitized Image Items are not complete, are not useable, or do not adhere to data specification, the Image Items may not be processed by Us, in which event Your deposit will be adjusted and notification will be provided to You.

C. Process digitized Image Items after We have received Your transmission of digitized Image Items.

D. If a payor financial institution returns an Image Item to us for any reason, We may charge Your applicable Account for the returned Image Item, whether or not the return is timely and proper, and we may further either:

1. Return the Image Item to You; or
2. Re-present it to the payor financial institution before returning it to You.

Items may be returned as Image Items, rather than substitute Checks, as agreed by the parties. E. Immediately suspending the Services or the System or the processing of any Check or corresponding electronic Image Item if We have reason to believe that there has been a breach in the security of the Services or System, fraud involving Your Account(s) or Check(s), or any uncertainty as to the authorization or accuracy of electronic Image Items, including the right to process electronic Image Items on a collection basis at any time; and

F. Refusing to process any non-conforming Image Items, including without limitation any Items that do not meet the definition of a "Check" set forth herein.
