NOVEMBER 2025 | COMMUNITY DEVELOPMENT

## Idaho Foodbank Family Day

Our team and their families had a great time participating in our quarterly Family Day at the Idaho Foodbank. We're honored to partner with the Foodbank as they work to end food insecurity and make a meaningful difference in communities across our region.

**Stronger Together.**

**Community Commitment | November 2025**

## November Kindness Campaigns

Our November Kindness Campaign focused on filling wish lists for three nonprofit partners: AKIN in Walla Walla, the Camas Prairie Food Bank in Grangeville, and the Salvation Army in Nampa. Our efforts provided valuable assistance to organizations making a direct impact on local families.

## TriState Health Foundation Festival of Trees

We sponsored, attended, and volunteered at the TriState Health Festival of Trees. Contributions to this event enable the Foundation to support the hospital with new equipment, upgraded facilities, community programs, and critical services that might not otherwise be funded. One hundred percent of the proceeds raised through the Festival directly benefit TriState Health.

## Boise Holiday Parade

We participated in the Boise Holiday Parade, joining local organizations and community members in celebrating the start of the holiday season.

## Season of Giving Campaign

Our Season of Giving Campaign kicked off on November 3. Throughout November and December, all P1FCU branches are collecting nonperishable food, new toys, hats, and gloves, and winter coats to support local families during the holiday season.

## Boys & Girls Club Grilled Cheese Program

We love being part of the Boys and Girls Club of the Lewis-Clark Valley's grilled cheese program. Each month during the school year, a dedicated group of P1FCU staff volunteers to cook hundreds of grilled cheese sandwiches for the hungry after-school crowd. It's a simple but meaningful way to support local kids and brighten their afternoons.

## Treasure Valley Vandal Watch Party

We thoroughly enjoyed connecting with the Treasure Valley Vandals at their recent watch party. It was a great opportunity to engage with the community, celebrate team spirit, and further strengthen our connection with local Vandal supporters.

## University of Idaho Football Season

We celebrated with Vandal fans at the final two home games of this year's UI Football season. We're grateful for the many volunteers whose energy and support helped make this season such a great success.

## Helping Local Seniors Celebrate Thanksgiving

We supported the Lewiston Parks and Recreation Senior Nutrition Program by sponsoring their Thanksgiving luncheon, helping provide local seniors with a warm holiday meal and connection.

## Nampa Tree Lighting

We joined the community for the Nampa Tree Lighting Ceremony, a festive evening that brought families together to usher in the holiday season. Our team helped add to the celebration as the city lit its holiday tree and kicked off a month of seasonal events.

## University of Idaho BEAMS Presentation

We presented as part of the University of Idaho's BEAMS program, engaging with students to share insights on financial wellness and community involvement. This partnership continues to strengthen our connection with UI and supports students in building practical skills for their futures.

## Decorating Jackson Baldwin Falls

We partnered with Jackson's Pay It Forward Foundation to help decorate the Jackson Baldwin Falls for the holidays. The Falls serves as a memorial for families who have lost children too early, and the Foundation provides support to families with children facing serious injury or illness.

## Supporting Healthcare: Kootenai Health's Festival of Trees

We attended and sponsored Kootenai Health's annual Festival of Trees. Funds raised through this year's event will help Kootenai Health continue to meet the growing healthcare needs of our region, enhancing care for families and individuals throughout the community.

## KLER Stuff the Bus

We were honored to be part of this year's KLER Stuff the Bus event, which was a tremendous success. More than 3,500 pounds of food were collected and distributed to the three Orofino-area food banks, helping support local families heading into the winter season.

## Soup's On – Latah Recovery Center

We were proud to sponsor and attend this year's Soup's On event benefiting the Latah Recovery Center. This community-focused gathering features soup and bread tastings from local Moscow restaurants, bringing people together in support of the Center's mission. Funds raised help provide coaching, crisis support, housing solutions, and outreach programs that positively impact nearly 8,000 lives each year.

## LC Veterans Day Parade

We participated in the LC Veterans Day Parade to honor and recognize the service of local veterans. Our team joined community members, organizations, and families in celebrating and thanking those who have served our country.
