SEPTEMBER 2026 | COMMUNITY DEVELOPMENT

Idaho Foodbank Volunteer Day

Our Treasure Valley team volunteered at the Idaho Foodbank, helping prepare food for distribution and support programs serving local families. In Ada County alone, more than 56,000 people, or one in 10 residents, face challenges accessing enough food each day. It was a meaningful opportunity to support an organization working to meet a critical need throughout the Treasure Valley.

Financial Literacy in the Classroom

Our team visited Lakeland Middle School, Palouse Prairie Charter School, and Clarkston High School to share practical financial education with students. Through interactive discussions and real-world examples, students learned about topics such as budgeting, saving, credit, and making informed financial decisions. These classroom visits help equip young people with skills they can use long after graduation while supporting our commitment to financial well-being in the communities we serve.

Twin County United Way Annual Breakfast

Community leaders, nonprofit partners, and supporters gathered for the Twin County United Way's Annual Breakfast to celebrate the organization's impact and learn more about local needs throughout the region. The event highlighted the power of partnerships in supporting programs that strengthen financial stability, education, health, and basic needs for individuals and families in the communities they serve.

Nampa Branch Celebrates Five Years

The Nampa Branch celebrated its fifth anniversary with treats, prizes, and plenty of member appreciation. Over the past five years, the branch has built lasting relationships with members while supporting local schools, nonprofits, and community events throughout the Treasure Valley.

Vandal Football

There's just something different about Vandal game day. Our team spent Saturdays in the tailgate area with the P1FCU Kickoff Kart, handing out giveaways and connecting with fans before kickoff. Between the tailgate festivities and our activation site in front of the P1FCU Kibbie Dome, we had a great time celebrating Vandal Pride with students, alumni, and supporters.

Walk to End Alzheimer's - North Idaho

Families, caregivers, advocates, and community supporters came together for the 2026 Walk to End Alzheimer's in North Idaho. As a sponsor and participant, P1FCU joined the effort to raise awareness and support programs that benefit individuals and families impacted by Alzheimer's and other dementias. The event highlighted the power of community in supporting those navigating the challenges of memory loss.

Ronald McDonald House Charities/JR Simplot Memorial Golf Tournament

Golfers, sponsors, and volunteers came together at the annual J.R. Simplot Memorial Golf Tournament to support Ronald McDonald House Charities of Idaho. Our team enjoyed connecting with participants at our booth and spending the day on the course in support of an organization that provides comfort, care, and a home away from home for families with ill or injured children. Thanks to the generosity of everyone involved, the event raised more than $152,000 to support families during some of life's most challenging moments.

Walla Walla Fair & Frontier Days Rodeo

From rodeo performances and grandstand concerts to the demolition derby, there was no shortage of excitement at this year's Walla Walla Fair & Rodeo at the P1FCU Arena. Our team spent the week connecting with fairgoers, handing out swag and prizes, and enjoying one of the region's favorite annual traditions. It was a fun way to celebrate with the community and be part of an event that brings thousands of people together each year.

Grangeville High School ASB Visit

Our Grangeville team received a special surprise when members of the Grangeville High School ASB stopped by the branch to say thank you for P1FCU's continued support of Grangeville High School students and activities. The visit was a great reminder of the relationships built through local partnerships and the impact those connections have on students and the community.

September Kindness Campaign

September's Kindness Campaign focused on supporting nonprofit organizations that strengthen the communities we serve. As part of the campaign, Community Development Specialist Beeg Johnson volunteered his time over several evenings to refresh the landscaping at a new home operated by JEMfriends. His work helped create a welcoming outdoor space for youth transitioning from foster care to independent living. Through housing, mentorship, life-skills training, and community support, JEMfriends helps young adults build successful, independent futures.

Our teams also collected and delivered much-needed items to Newby-ginnings of North Idaho, which provides support and resources to military veterans; The Lewiston School District HUB Food and Clothing Pantry, which provides free food and clothing to local families and students in need; and Walla Walla Christian Aid Center, which assists individuals and families experiencing hardship through food, clothing, and other essential services. These efforts reflect our ongoing commitment to supporting organizations that help meet critical needs and improve lives throughout our communities.

Lewiston Roundup Parade

Our team joined thousands of community members for this year's Lewiston Roundup Parade, celebrating one of the Lewis-Clark Valley's most cherished traditions. From the parade route to the western spirit that fills the community each September, it was a great opportunity to connect with neighbors and be part of the celebration.

Children's Museum of Idaho Space Day

Our Treasure Valley team enjoyed volunteering at the Children's Museum of Idaho's Space Day, a hands-on event designed to spark curiosity and inspire young learners. From interactive activities to space-themed exploration, the day gave children and families the opportunity to discover, create, and learn together.

Lili GC Foundation Gala & Auction

The annual Lili GC Foundation Gala & Auction brought together supporters committed to helping individuals and families impacted by women's cancers. Through partnerships, resources, and community support, the Foundation helps connect clients with services that support healing of the mind, body, and spirit. The evening also included a special recognition for Chris Loseth, who received the Partner of the Year Award for his continued support of the Foundation and its mission.

Orofino Lumberjack Days

Our team joined the community for this year's Orofino Lumberjack Days Parade and Celebration, enjoying a weekend filled with local traditions, familiar faces, and hometown pride. From the parade route to the festivities throughout the community, it was a great way to celebrate one of Orofino's favorite annual events.

Garden City Chamber's Mayor's Cup Golf Tournament

From tee-off to the final putt, the Mayor's Cup Golf Tournament was filled with great conversations and community spirit. Our team had a great time meeting golfers, hosting activities at our booth, and connecting with local business and community leaders throughout the day.

New Hires Volunteer

Our newest team members spent part of their first day at P1FCU volunteering at the Idaho Foodbank in Lewiston. By serving alongside one another and giving back right away, they experienced firsthand what it means to be part of a credit union that puts people and community first. The volunteer project was a meaningful introduction to the cooperative spirit that guides our work and the difference we strive to make in the communities we serve.

Eagle Hills PTO School Carnival

Games, activities, and community connections filled the Eagle Hills PTO School Carnival as families came together to celebrate the start of a new school year. P1FCU sponsored the event and hosted a booth featuring games and prizes for students and families to enjoy. The carnival provided a fun opportunity to connect with local families while supporting the PTO's efforts to enhance educational experiences for students throughout the year.

Boys & Girls Club of Ada County 2026 Spud Challenge

The Boys & Girls Clubs of Ada County's Spud Challenge Golf Tournament brought community members and supporters together for a day of fun and fundraising in support of local youth. P1FCU sponsored the event and connected with golfers and community partners throughout the day at our booth. Funds raised help the Boys & Girls Clubs continue providing programs and opportunities that empower young people to reach their full potential.

West Canyon Elementary Raffle Giveaway

Students and families came together for the West Canyon Elementary Raffle Giveaway, a fun event that helps support opportunities for local students. P1FCU contributed raffle items and was happy to be part of an event that brings the school community together.

Painting for Soup-Port Our Shelters

An evening of creativity gave our Lewis-Clark Valley team a chance to support the upcoming Soup-Port Our Shelters fundraiser benefiting the YWCA of Lewiston-Clarkston. Team members gathered to paint bowls that will be featured at the annual event, which raises funds for shelter services and domestic violence and sexual assault programs. It was a fun way to spend time together while helping support an important cause in our community.
