APRIL 2025 | COMMUNITY DEVELOPMENT

7th Annual Easter Egg Hunt

Our 7th Annual Easter Egg Hunt was jam-packed with fun, prizes, and over 1,000 attendees enjoying a perfect spring evening. A big thank you to the LC State Warriors for hosting and helping us coordinate the event, and an even bigger shoutout to the 60+ P1FCU team members who volunteered their time to make this one of our most successful community events yet!

Stronger Together.

Community Commitment | April 2025

5th Annual Easter Scavenger Hunt

Our 5th Annual Easter Scavenger Hunt was a huge hit across all our branch communities! Piggy stress relievers were hidden in local parks and public spaces, and when found, participants brought them into the branch to claim fun prizes like Easter baskets, gift certificates, and P1FCU swag. It was a great way to spread cheer and connect with families throughout the region.

Asotin County Fair and Parade

We had a great time participating in the Asotin County Fair Parade and showing our support at the Livestock Sale. It's always a fun way to connect with the community and celebrate the dedication of local youth who work hard raising and preparing their animals for fair season.

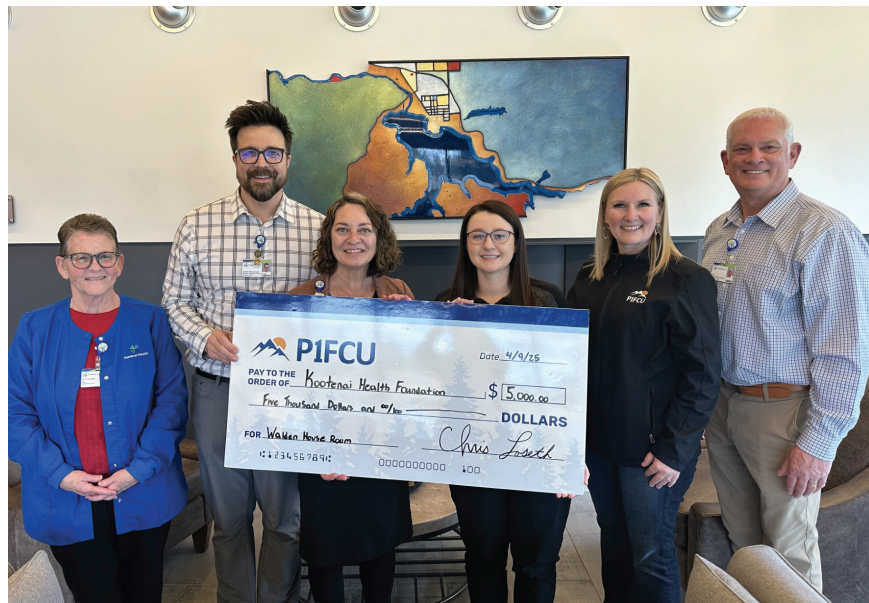

Vandal Football Golf Scramble

We were excited to be a part of the 3rd Annual University of Idaho Vandal Football Scramble! It was a fun day on the course filled with plenty of Vandal pride—all in support of the football program and its student-athletes.

Kootenai Health Room Sponsorship

We're proud to sponsor a room at Kootenai Health as part of our commitment to supporting the well-being of our North Idaho communities. This sponsorship helps provide a welcoming, comfortable space for patients and families during their time of need, and reflects our belief in caring for the communities we call home.

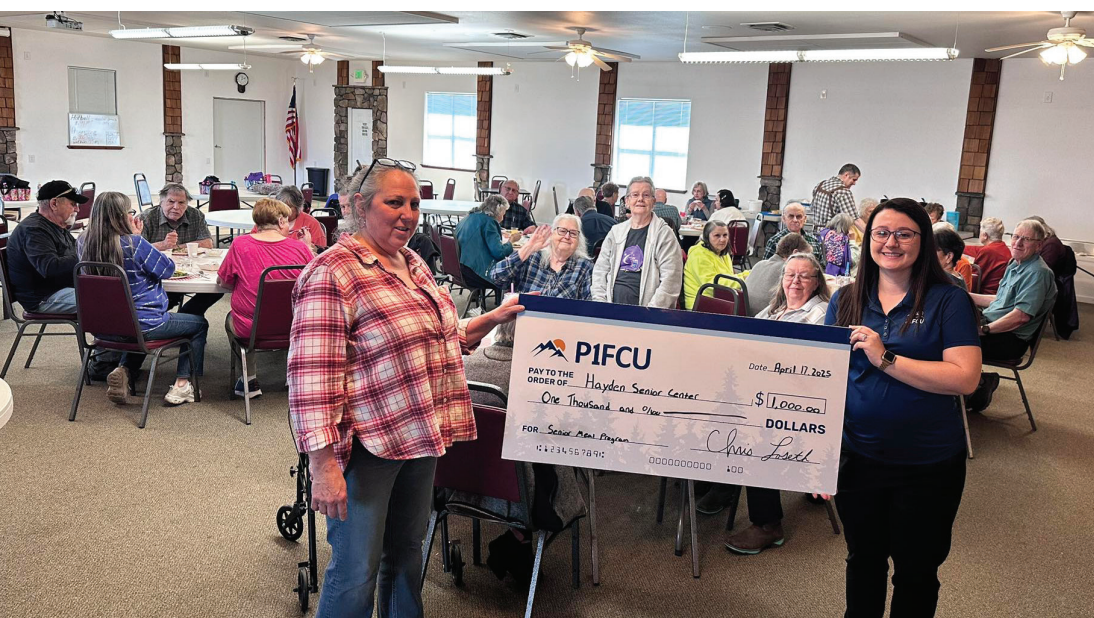

North Idaho Athletics Hall of Fame Awards Banquet

We were honored to be the main event sponsor for the North Idaho Athletics Hall of Fame Awards Banquet at the Coeur d'Alene Resort. The NIAHOF celebrates excellence by recognizing outstanding high school athletes, coaches, and teams from Districts I and II, as well as collegiate athletes and coaches from the University of Idaho, North Idaho College, and Lewis-Clark State College. It was a privilege to support this inspiring evening of recognition and achievement.

Wake Up with the Warriors

We attended LC State's Wake Up with the Warriors event, joining fellow supporters to celebrate Warrior Athletics and hear updates from coaches and student-athletes. The event helps support athletic programs and scholarships, and we're proud to be part of a community that invests in student success on and off the field.

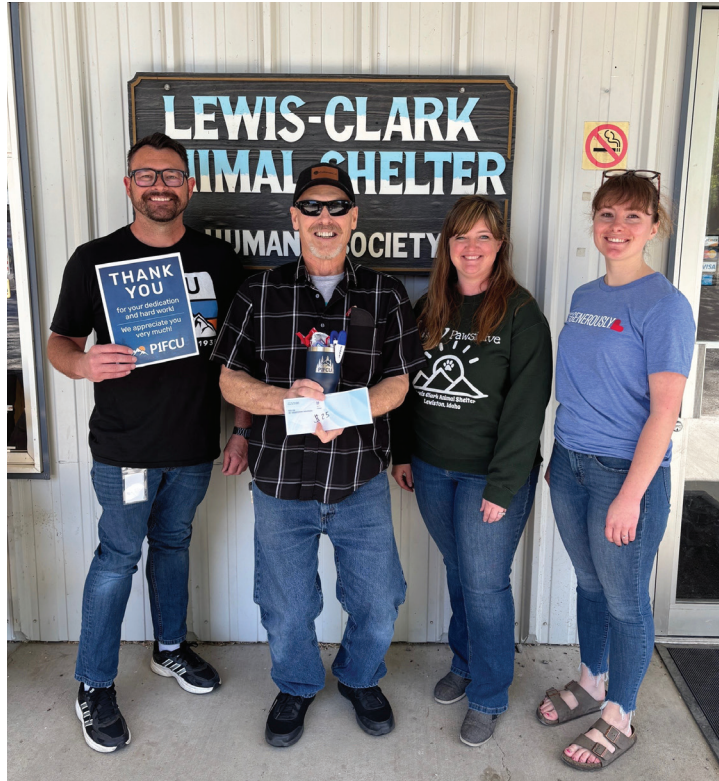

Hayden Senior Center Meals Program

It is our privilege to support the Hayden Senior Center's Meals Program, which ensures local seniors have access to warm meals and friendly faces. We're thankful for the chance to support a program that brings care, connection, and a sense of community to our senior neighbors.

Kindness Campaign

National Volunteer Week was a chance to celebrate the incredible individuals who give their time and talents to strengthen our communities. We had the joy of surprising a few outstanding volunteers with appreciation gifts as a small way to thank them for their dedication to area nonprofits and the lasting impact they make.

LC State Baseball Sponsor Weekend

As the official credit union of the LC Warriors, it's always fun to attend and show off our Warrior Pride! At this year's P1FCU weekend at LC Baseball, we gave away tickets, baseball hats, and baseball cards!

Moscow Chamber Annual Auction

We were pleased to support the Moscow Chamber of Commerce's Annual Auction, an event that brings the business community together to celebrate and invest in the success of the region. It's always a great opportunity to connect with local leaders and show our commitment to the communities we serve.

St. Maries Chamber Annual Celebration

We were proud to sponsor and attend the St. Maries Chamber of Commerce's Annual Celebration, its largest fundraiser of the year. The event brought the community together to celebrate local achievements, recognize outstanding individuals, and support the ongoing work of the Chamber in strengthening the St. Maries area.

Boys and Girls Club Grilled Cheese

We love being a part of the Boys and Girls Clubs of the Lewis-Clark Valley's grilled cheese program! Each month during the school year, you will find a great group of PIFCU volunteers serving up hundreds of sandwiches for the hungry after-school crowd.

HUB Center Support

Our partnership with the HUB Center in Spokane Valley helps create a vital community space that provides programs and resources for youth and families. Our partnership helps ensure the HUB can continue offering a safe, supportive environment where kids can learn, grow, and connect.

Financial Education

We partnered with fellow Treasure Valley credit unions to bring the Bite of Reality simulation to Middleton High School, giving students a hands-on introduction to real-world budgeting. Through an interactive, app-based experience, teens took on fictional jobs, salaries, and expenses, then made financial decisions at various stations—balancing needs, wants, and surprise expenses. It was a fun and eye-opening way to help students build financial awareness and decision-making skills.

We also had the opportunity to teach financial literacy classes at Peregrine and Desert Sage Elementary Schools in the Treasure Valley, introducing students to basic money concepts like saving, spending, and the importance of making thoughtful choices with their money.

In addition, we presented a BEAMS (Building Essential Assets and Money Smarts) class at the University of Idaho, engaging with students on more advanced financial topics such as budgeting, credit, and responsible money management during and after college.

Partnership for Kids!

We are committed to supporting the Boys & Girls Clubs' Partnership for Kids event, supporting programs that help local youth learn, grow, and thrive. It's always an honor to be part of something that makes a lasting impact on the lives of kids in our communities.

Financial Conference – University of Idaho/Latah County Extension

We're proud to sponsor and attend the annual Financial Conference hosted by the University of Idaho and the Latah County Extension Office. This event brings together local financial experts to share practical information, resources, and tools to help Idaho residents take control of their finances and work toward their financial goals.
