## Have you ever wanted to be a volunteer board member?

President's Message

**"Our credit union is a democratically controlled cooperative owned by our members."**

Chris Loseth, President & CEO

Volunteer credit union board members play a vital role in the operation of our financial cooperative. Our credit union is a democratically controlled cooperative owned by our members.

The credit union difference of one member, one vote in the election process of our volunteer board of directors and in directing the overall operation of your credit union keeps the credit union under the control of its membership.

Our not-for-profit financial cooperative has a 9-member volunteer board of directors with board members being elected from our membership at our Annual Business Meeting. Our next Annual Business Meeting will be held at 6:00 pm, Thursday, January 22nd, 2026.

We will be electing three board members in 2026 for 3-year terms. Our board of directors meets on the third Wednesday of each month for board meetings, holds quarterly committee meetings, and has several training opportunities throughout the year. Board members participate in training to stay ahead of the ever-changing financial world.

Now is the time for members interested in serving on the Board of Directors and becoming part of our board election process to act. Potential board member candidates' names are forwarded to our Board Nominating Committee for their evaluation. If you would like to be considered for nomination as a board member candidate, please contact P1FCU in writing with a short biography no later than Friday, August 22nd, 2025.

We will conduct a pre-board orientation session at 5:00 pm on Monday, September 15th, 2025, for those interested in becoming board members to provide information about board duties, expectations, and responsibilities which will help decide if volunteering on our board is of interest. Participation in the pre-board orientation session is a mandatory requirement to be considered as a candidate by our board members who serve on the Nominating Committee.

Please address your letter to:
