Have You Ever Wanted to be a Volunteer Board Member?

PRESIDENT'S MESSAGE

Chris Loseth
President & CEO

Volunteer credit union board members play a vital role in the operation of our financial cooperative. Our credit union is a democratically controlled cooperative owned by our members.

board of directors holds a board meeting the third Wednesday of each month with required attendance. They complete several required training classes throughout their term and subsequent terms if re-elected to the board. Our board members are highly trained and are well aware of the ever changing financial world and effects on Potlatch No. 1 Federal Credit Union and our members.

Now is a great time for members interested in serving on the board and becoming part of our board election process to take action. If you would like to be considered for nomination as a board member candidate please contact the credit union in writing. Please include a short biography and information regarding your qualifications for board candidate nomination. Your materials need to be submitted no later than Friday, August 25th for consideration.

The credit union difference of one member, one vote in the election process of our volunteer board of directors and in directing the overall operation of your credit union keeps the credit union under the control of its membership.

Our not-for-profit financial cooperative has a 9 member volunteer board of directors with board members elected from our membership in branches prior to and at our Annual Business Meeting. Our next Annual Business Meeting will be held Thursday, January 25th, 2018 at 6:00 p.m. at the Warner Avenue Conference Center in Lewiston.

Post Falls Lending Center

The grand opening ceremony for P1FCU's Post Falls Lending Center took place on June 20th. This event gave community members and P1FCU staff the opportunity to network and get to know one another on a more personal level. We are looking forward to providing extended services to our northern counties!
