meeting and several training opportunities throughout the year that board members are encouraged to participate in to stay ahead of the ever changing financial world.

of our board election process to become involved. The Nominating Committee deadline for potential board candidates is Friday, August 31st, 2018.

**OUR CREDIT UNION IS A

FINANCIAL COOPERATIVE WITH
MEMBER-OWNERS.**

If you would like to be considered for nomination as a board member candidate please contact the credit union in writing.

The credit union difference of one member, one vote in the election process of our board of directors, and in directing the overall operation of your credit union keeps the credit union under the control of its membership.

Our not-for-profit financial cooperative has a 9 member board of directors with board members being elected from our membership at our Annual Business Meeting. Our next Annual Business Meeting will be held January 31st, 2019 at our Warner Administrative Center conference room.

We will be electing 3 board members for 3 year terms from our membership. Our board of directors has a monthly board

We have a mandatory pre-board orientation meeting for those interested in becoming a board member to learn about board duties, expectations, and responsibilities. This will be held on Tuesday, September 11th, 2018 at 5:00 pm at our Warner Administrative Center in Lewiston. This will help you decide if serving on our board is of interest to you. If you participate in the orientation and then decide that serving on our board is what you would like to do, your name will be forwarded to our board nominating committee as a potential board candidate.

Now is a great time for members interested in serving on the board and becoming part

More "Shebang" for Your Buck in Culdesac!

After months of hard work, our new Culdesac branch opened their doors on May 29th. The new branch, located just down the road from the previous location, now features an ATM and a drive-thru, as well as private office space and much more. We had our official grand opening on June 9th during Shebang Days. We also got 1st place in the parade! Although it turned out to be rainy that day, it didn't deter our members from taking a tour of the new branch. We hope our members enjoy everything our new branch has to offer!
