

Paperless Statements Opt-In

If you would like to receive your monthly statements through Home Banking, rather than having a statement mailed to you each month, please fill out the form below and sign. To opt-out of Paperless Statements and receive them via mail, please call us at 800-843-7128.

I elect to view my account information online and request the Credit Union discontinue sending me statements for the member number indicated. I understand the Credit Union will hold delivery of my account statements in paper form but will send me a paper account statement at any time, upon request. For now, I accept the Home Banking account information/history for my deposit and loan accounts as my account statements.
